RELAX!..... It's fabric!

With alternatives to conventional building materials you can now expand the boundaries! Aesthetically pleasing, structurally balanced, sleek, stylish and modern, a Tensioned Membrane PVC canopy has numerous advantages; maximum shade, minimum temperatures, waterproof, translucent and quiet to name a few.

Stand out from the crowd or blend in with the setting? Innovative and professional results are our specialty.

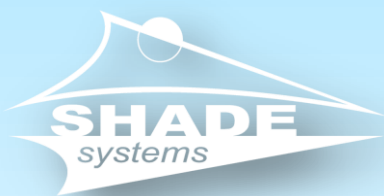

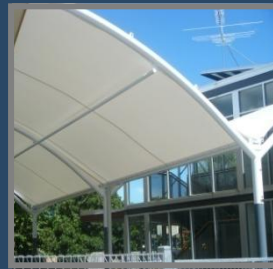

'Cover for Generations'

Our Tensioned Membrane structures are manufactured to the highest quality, using high grade European Architectural PVC, top grade stainless steel hardware/tensioners and precision engineered framework.
